Townships Association educates local officials at U.P. meeting

Lansing, MI – The Michigan Townships Association (MTA) announced that it will be holding Spring District Meetings for area township officials in Sault Ste. Marie on May 17 at the Cisler Center at Lake Superior State University.

MTA has 25 districts throughout the state. The meeting in Sault Ste. Marie is for MTA District 4, which includes Chippewa, Luce, Mackinac and Schoolcraft counties.

“I’m excited to have the Association back in the Eastern Upper Peninsula,” said Jason Oberle, supervisor of Kinross Charter Township (Chippewa Co.) and MTA District 4 director. “These district meetings are a great opportunity for officials from the region to come together to discuss important statewide issues.”

The Spring District Meeting held in Sault Ste. Marie is one of nine meetings held throughout northern Michigan and the Upper Peninsula during May. A number of topics are addressed in these meetings, including legislative issues that may impact townships.

MTA promotes the interests of Michigan's 1,242 townships by fostering strong, vibrant communities; advocating legislation to meet 21st century challenges; developing knowledgeable township officials and enthusiastic supporters of township government; and encouraging ethical practices of elected officials who uphold the traditions and unique characteristics of township government and the values of the people of Michigan.
