

## Smith Earns Professional Planner Certification

DETROIT, MI, JANUARY 4, 2010 – Jason Smith, AICP, a community planner and community development professional in Wade Trim’s Detroit office, recently earned his American Institute of Certified Planners certification by passing the Comprehensive Planning Examination and completing more than four years of planning work experience.

Smith has worked on a wide variety of planning projects in Michigan communities. He has worked with local governments to develop strategic plans, zoning ordinances, parks and recreation master plans, state-mandated master plans and other special studies. Smith’s expertise includes many federal funding programs including the Neighborhood Stabilization Program, Community Development Block Grant, and Energy Efficiency and Conservation Block Grant.

Smith earned his Bachelor’s degree in Public Administration from Eastern Michigan University and is pursuing a Master’s degree in Urban and Regional Planning from the university. He is a member of the American Planning Association and Michigan Association of Planning. Smith joined Wade Trim in 2006.

Wade Trim ([www.wadetrim.com](http://www.wadetrim.com)) has more than 350 professional and support staff in 21 offices throughout Michigan and seven other states. They provide engineering, planning, surveying, operations, landscape architecture, and construction services for transportation, water resources, land development and municipal government projects.
