Let's Learn Together

Township officials have a lot going on, and MTA wants to make it easier for you to know what is happening at the state Capitol that may affect your township and your role as a local leader. From ongoing debates regarding local authority, to new issues driven by changing winds based on election results, MTA's Capital Conference gives you a direct line to lawmakers—including the 73 newly elected legislators—as well as state departments and MTA policy experts to help you best serve your constituents. Spend time with your fellow township officials, meet with your legislators and learn about new policy issues from experts at our 2023 Capital Conference.

What's Planned for the 2023 Capital Conference?

The 2022 elections led to many changes in the state Legislature for the 102nd Legislative Session. New leaders mean a different focus and a different agenda. From our keynote speaker to the panels that include legislators, department experts and MTA staff, you will learn the latest on issues affecting your township—including implementation of the election changes the voters approved in Proposal 2.

Be heard.

Additionally, we are planning six breakout sessions on topics including renewable energy, funding for roads, and the new office of rural development. You will also have the opportunity to meet with your legislators. Upon registration, your legislators will be invited to join us during the networking luncheon. With so many new legislators taking office in 2023, building relationships with your state elected officials is vitally important. Attending the Capital Conference enables you to discuss issues affecting your community, and townships as a whole, directly with your state representative and state senator.

Join us on Wednesday, March 1 at the Lansing Center in downtown Lansing for this important event.
