Emerging Issues in Emergency Services

A community that's truly prepared is one that's always looking ahead. This rings especially true in today's era of new and emerging threats. MTA can help you stay on top of the hot issues facing your fire department and emergency services personnel. Township board members, fire officials and anyone serving on your emergency services team are welcome to attend this insightful event designed to provide both an update and a better understanding of current challenges.

This ever-popular annual event continues to grow. We're pleased to announce we've added a second location! Join MTA as we team up with the state's leading experts for this full-day event coming to the **Bavarian Inn Lodge in Frankenmuth on Sept. 10** and the **Evergreen Resort in Cadillac on Sept. 12**.

Topics include:

- An update from the Bureau of Fire Services, led by State Fire Marshal Kevin Sehlmeyer
- Insights from the state Bureau of Emergency Preparedness, led by the Division Director of EMS and Systems of Care Emily Bergquist
- An insightful session on the impact of battery storage systems and electric vehicles, led by Brighton Area Fire Authority Chief Michael O'Brian at the Frankenmuth location (Cadillac instructor to be announced)
- Critical Incident Stress Management and Support, led by Two The Rescue Cofounder Mike Wierenga
- Recruitment, retention and the changing demographic of the new generation, led by Kirtland Community College Fire Instructor Ray Wlosinski, training coordinator from the Michigan Office of Fire Fighter Training

The event is held from 9 a.m. to 5 p.m., and includes a continental breakfast and lunch.
